FAQs

Can I choose other design theme in the package?

Yes. Get in touch with us for a free consultation and you can choose a theme to fit your layout!

Can I customize the Family Area console, vanity cabinets, wardrobe and kitchen in the package?

Yes. Get in touch with us for a free consultation and you can select the systems, colors and materials you need!

Where do you import your Kitchen, Family Area Console, Vanity Cabinets and Wardrobes from?

Kitchen, Family Area Console and Vanity cabinets are manufactured and imported from Germany. Wardrobes are manufactured and imported from Italy.

Can Haus provide complete renovation services including resale apartments?

Yes, please visit us and our designers will guide you through the renovation process.

Will Haus manage the entire project?

From design to installation, you can rely on us to project manage & build your dream home.

How long does an average 3 bedroom apartment renovation project takes?

Under normal circumstances, it takes 2-3 months for basic renovation and can take 3-4 months in the current market conditions.

Will there be any additional costs?

Our package provides all the necessity to build a home ready for move-in. However any additional product or services not included in our package, will be quoted accordingly. Loose furniture and appliances are not included in the package.
